Sales of foam wound dressings, which account for the largest segment in the advanced wound-dressing market, are expected to grow 15% to exceed \$2bn by 2020.

15% is the expected growth rate for foam wound-dressing sales in the five-year period between 2015 and 2020. This segment, the largest in the advanced wound-dressing market, recorded sales of \$997.3m in 2015, and this is anticipated to exceed \$2bn by 2020. Smith & Nephew had been the longtime leader of foam wound dressings but in 2015, was pipped to the post by Mölnlycke.
