Check out what Johnson & Johnson VP Diana Bacci-Walsh had to say about the newly created J&J Institute, a network of 26 physician-training education centers.

“We’d love to get to a point where there are simulators that really allow us to ... bring that education at the right time for the right surgeon in a way that is extremely cost-effective and can reach a surgeon no matter where they are in the world.” – Diana Bacci-Walsh, VP for North America Education Solutions, Johnson & Johnson Medical Devices
