

14 Feb 2018 | Analysis

QUOTED. Feb. 14, 2018. Andrew Davies.

by

Check out what Andrew Davies, from the Association of British Healthcare Industries, had to say about the UK's new medical innovation initiatives.

"A simplified landscape is what we want – and yet because medtech is so diverse, it does need a number of pathways." – Andrew Davies, market access director, ABHI
