QUOTED. April 20, 2018. Rosa DeLauro.

by

US Rep. Rosa DeLauro had a tense exchange with US FDA Commissioner Scott Gottlieb over the agency's handling of Bayer's *Essure* birth-control device. Check out what the Rhode Island democrat said here.

"I still don't know why *Essure*'s on the market in this country when it's been taken off the market in every other country in the world." –Rosa DeLauro, member, US House of Representatives
