QUOTED. May 11, 2018. Martha Shadan.

by

New AdvaMed Accel Chair Martha Shadan is also a founding member of the Women's Executive Network (WEN), which aims to help women reach executive positions in the medtech industry. See what she said about her own experience of being a woman in industry here.

"I think about my own challenges of being the only woman in a senior role. ...It can be a very lonely place to be." –Martha Shadan, chair, AdvaMed Accel
