Medtech Innovation Will Be Honored At September Awards

by

The nomination entry deadline for the Medtech Insight Awards is June 22. Innovative technologies and teams, standout deals, successful emerging market strategies and other accomplishments will be honored at the event, to be held Sept. 23, on the eve of The Medtech Conference in Philadelphia.

Medtech innovators will be recognized for top technologies, deals, partnerships, clinical trials and more at the [Medtech Insight Awards](#) Sept. 23 in Philadelphia.

The nomination deadline is June 22 for the nine categories that will be presented at the event, also including an entrepreneur of the year and lifetime achievement award. Here's the full list:

- Best Technological Innovation
- Venture Financing Deal of the Year
- Best Company in an Emerging Market
- The In Vivo Award for Best Medtech Partnership/Alliance<>
- Most Innovative Clinical Trial
- Most Innovative Team or Innovator of the Year
- Best Proof-of-Value of an Innovation
- Entrepreneur of the year
- Lifetime Achievement Award

"The awards are an opportunity to highlight your successes in advancing your business and bringing life-saving and life-enhancing technologies to patients," said Tina Tan, Co-Editor-In-

Chief of *Medtech Insight*.

They are also intended as an opportunity build connections with respected members of industry.

"It's a chance to network with others doing exciting work in the medtech sector, and to build relationships to support future innovation and business opportunities," Co-Editor-In-Chief David Filmore added.

The event is being held on the eve of, and in partnership with, The Medtech Conference, AdvaMed's annual meeting bring together industry players from around the world.
