Device Week, Sept. 13, 2018 – A Big Week For LivaNova; Creavo Seeks Cardiac Test Breakthrough

by [David Filmore](#)

In this edition of the Device Week podcast, *Medtech Insight's* Reed Miller talks about the latest good news for LivaNova and Catherine Longworth provides an update on Creavo Medical, a UK-based company using an old technology for a new kind of cardiac test that could save hospitals money.
