QUOTED. 13 August 2019. Judge Andre Birotte Jr.

by

Product liability lawsuits involving breast implants made by Johnson & Johnson's unit Mentor Worldwide have been dismissed by a California federal judge. See what Judge Andre Birotte Jr. said about it here.

“A plaintiff cannot simply ‘incant the magic words’ that a defendant violated FDA regulations to avoid preemption.” – Andre Birotte Jr, US District Judge, Central District of California
