Device Week, 6 September 2019 – Connected Health Summit's Digital Health Focus; Intuitive Surgical Opens New HQ In Oxfordshire

by [Marion Webb](#)

In this edition of Device Week, *Medtech Insight's* deputy editor Reed Miller chats with managing editor Marion Webb about her digital health coverage at the recent Connected Health Summit in San Diego. And London, UK-based senior reporter Catherine Longworth talks about her visit with Intuitive Surgical at their new training suite in Oxford.
