## QUOTED. 9 September 2019. Alyssa Jaffee.

by

An expert panel at the recent Connected Health Summit in San Diego discussed opportunities and challenges in investing in digital health. See what Alyssa Jaffee, VP of 7wire Ventures, said about it here.

"There is a lot of talk that digital health is overhyped. At the end of the day Livongo is the largest digital health IPO ever and the first of hopefully many." – Alyssa Jaffee, VP, 7wire Ventures
