Device Week, 8 November 2019 – Medicare Rules!

by [Shawn M. Schmitt](#)

Some exciting changes to US Medicare payment rules will take effect in January for device-related procedures performed in different hospital settings. On this week's podcast, executive editor Shawn M. Schmitt chats with senior reporter Sue Darcey, who covered these changes for *Medtech Insight* – as well news out of the Centers for Medicare and Medicaid Services (CMS) that it designated several new medical technologies for passthrough payments and will offer new home-use infusion therapy benefits.
