QUOTED. 13 February 2020. Charles Cadieu.

by

The US FDA cleared Caption Health's Caption Guidance software, an AI package that guides users through cardiac ultrasounds to help them capture the best images. See what Caption Health's co-founder and president, Charles Cadieu, said about it here.

"This FDA authorization confirms our unique ability to couple breakthrough technology with robust clinical validation. And we're just getting started." – Charles Cadieu, president, Caption Health
