# QUOTED. 26 February 2020. Mark Leahey.

by

In an exclusive interview with *Medtech Insight*, Mark Leahey, president of the Medical Device Manufacturers Association (MDMA), said the previous four Medical Device User Fee negotiations with the US FDA have set a strong foundation for the industry and the next round of negotiations should focus on tweaking past deals that are already in place. See what MDMA's president, Mark Leahey, said about it here.

“When I look back, I think the times when things have not gone as well often was a result of an imbalance of information flow on both sides.” – Mark Leahey, president, Medical Device Manufacturers Association
