QUOTED. 13 May 2020. Jay Wohlgemuth.

by

Ortho Clinical Diagnostics is partnering with Quest Diagnostics Inc. to expand the availability of its IgG antibody test for COVID-19. See what Jay Wohlgemuth, senior VP and chief medical officer of Quest Diagnostics, has to say about the deal.

“Through our relationship with Ortho Clinical Diagnostics, we are broadening the range of high-quality COVID-19 antibody test platforms we use in our laboratories to serve growing demand.”- Jay Wohlgemuth, senior VP and chief medical officer, Quest Diagnostics
