QUOTED. 15 May 2020. Anthony Fauci.

by

Concern is swirling about a second coronavirus outbreak in the fall. Here's how Anthony Fauci, director of the National Institute of Allergies and Infectious Diseases (NIAID), says the health care industry can prepare.

“I hope between now and then, given the ability to do more testing and to stock up on needed supplies, we will be better equipped to deal with a second outbreak.” – Anthony Fauci, director, NIAID
