# Device Week, 6 November 2020 – Q3 Earnings Results; USPSTF Recommendations Lowers Colon Screening Age

by [Marion Webb](#)

On this week's podcast, *Medtech Insight* managing editor Marion Webb discusses how the US Preventive Services Task Force's recommendations to lower colon screening to age 45 may impact sales of Exact Sciences' Cologuard stool test, and deputy editor Reed Miller highlights third-quarter results of Stryker, Boston Science and Edwards Lifesciences.
