Industry groups were cool to parts of the CMS's proposed Medicare Coverage of Innovative Technology (MCIT) rule dealing with commercial insurance coverage as well as definitions used in the proposal. See what AdvaMed's executive vice president of payment and health care delivery policy, Don May, said about it here.

"Commercial insurance coverage decisions lack transparency and processes for stakeholder engagement and are not appropriate for inclusion" [in a reasonable and necessary definition]. – Don May, executive VP payment and health care delivery policy, AdvaMed
