## QUOTED. 12 January 2021. Raj Denhoy.

by

COVID-19 will ebb and flow until the vaccines come fully into play, and the waters will stay choppy for some time – issues Raj Denhoy, an equity analyst at Jefferies Healthcare, factored into his predictions for the year.

“My sense is that most people have come to terms with the fact that the next three to six months will be pretty unpredictable.” – Raj Denhoy, equity analyst, Jefferies Healthcare
