QUOTED. 12 March 2021. Seemant Jauhari.

by

Seemant Jauhari, managing partner at the Asia specialist health tech investment firm HealthXCapital, spoke to *Medtech Insight* about how a year of COVID restrictions have changed how business gets done.

“We have back to back calls now. There is no need to drive anywhere and doing all these virtual calls means I am getting a whole lot more done.” – Seemant Jauhari, managing partner, HealthXCapital
