QUOTED. 8 April 2021. Harry Keenan.

by

In the three months since Brexit, UK medtech stakeholders have seen the beginning of new regulations, foreign trade plans being put into place, and perhaps new perceptions of medtech's value. See what Harry Keenan, DCC Vital group managing director, said about it here.

“We should be aligned as [much as] we possibly can, to allow the free flow of goods.” – Harry Keenan, group managing director, DCC Vital
