## **QUOTED. 16 April 2021. Adam Sachs.**

by

Medical robotics company Vicarious Surgical announced it will merge with blank check company D8 Holdings Corp. in a deal that values the combined company at about \$1.1bn. See what Vicarious Surgical CEO Adam Sachs said about it here.

“Our robot can see, reach and work anywhere inside the abdomen, which effectively shrinks the surgeon and puts her/him inside the human body.” – Adam Sachs, CEO, Vicarious Surgical
