Device Week, 7 May 2021 – New MDUFA, Old Disagreements

by [Ferdous Al-Faruque](#)

In this week's podcast, senior reporter Ferdous Al-Faruque gives an early look at how user fee negotiations between the US FDA and industry groups for MDUFA V are unfolding. As in the past, the parties are at odds over how much industry should pay, and what the FDA is using the money for.
