QUOTED. Daniele Bollati.

by

With demand for EU notified body medtech services fast outstripping capacity, Daniele Bollati, an auditor at Italy's IMQ, explained how the shortage is affecting his organization's customer relationships.

"We are aware that we can't guarantee our [existing] MDD customers that they will be all certified under the MDR in time; it is currently not feasible in terms of man-hours required." – Daniele Bollati, medical devices lead auditor and laboratory expert, IMQ
